# Social Enterprise Workshop Kamloops, BC - March 26th, 2009

Enp is a funding program that provides matching grants to non-profit organizations in BC that are interested in starting or expanding a social enterprise business.

## Are you.....

- **Wondering** if social enterprise can help to advance your mission?
- **Trying** to create training or employment opportunities?
- **Looking** for ways to diversify your organization's revenue sources?
- **Striving** to address a decline in local services?
- **Planning** to apply to enp for a social enterprise development grant?
- **Wondering** how to improve the performance of a social enterprise you already run?

If you fit any of these categories or if you just want to learn about social enterprise, **then this workshop is for you!**

The funding program from enp allows organizations to conduct planning activities related to the development of a business venture, and accepts grant applications two times per year in spring and fall.

**To apply for funding, organizations are required to attend this one-day orientation session.**

## The orientation session covers:

- What is a social enterprise?
- What is the value of social enterprise for your organization?
- Are you ready for social enterprise?
- What are the critical issues and steps for moving forward?
- What is Enterprising Non-Profits and how do you apply?
